

COMPANY BENEFITS

Our work takes us to some of the deepest points of the ocean where we use our cutting-edge technology to discover subsea mineral assets that create and realize near and long-term value for our company and for the world. Above the water, we employ a team of experts who are passionate about exploration and our ocean.

Company-Paid Health, Dental and Vision Insurance

Company-Paid Short-Term, Long-Term and Life Insurance

Health Reimbursement Account and Flexible Spending Account

Employee Assistance Program

Accommodating Schedules and Virtual Office Access

High Energy, Fun Work Environment

Open Vacation Policy

Additional Perks and Discounts

THE OPPORTUNITY TO BE A PART OF A TEAM THAT IS DISCOVERING SOME OF THE MOST VALUABLE RESOURCES ON THE OCEAN FLOOR!
